

Liers In Wait, Overlord

(Music & lyrics: Kristian Whlin)

I will be the Spirit of the Sea
I am the Soul of the Oceans
My Strength is evoked from below
I am the Ensnarer of the Seas

Behold the Sign of my Race
The Five Point Grey Star Carven

I have inherited the Pride of the Ancients
The dark Waters tremble as I rise

I was spawned at the Dawn of Ages
My Strength comes from the cleanest Source

I am the Power of the Sun times seven
Lord of the Abominations of the Sky
I am the proclaimed Leader
Riding the Winds of the Damned

(CHORUS:)
I am Supreme - spawned by the strongest Force
I am Unchallenged
I am Overlord

(CHORUS:)
I am Supreme - spawned by the strongest Force
I am Unchallenged
I am Overlord

Come forth Floods of Anger
Take me to my Throne
I am the One - The Ancient One
From the Waters below

Waste, Nobodies, Fools
I will rise to enslave you all
By the Power of the Ancients I will Rise
In Rage I engulf the Souls of the Weak

(CHORUS:)
I am Supreme - spawned by the strongest Force
I am Unchallenged
I am your f**king Overlord
