

# Life Long Tragedy, Explaining A Feeling

You have to understand that everything we have is meaningless, unless we truly know where we s  
This isnt just for show but some may never see the limitless potential within you and me.  
If you cant find the words, maybe theres nothing left to say. Remember that this world still spins reg  
So make them count, dont lie to yourself.  
This lifes too fucking short to be someone else.  
One breath at a time,  
Ill live day to day,  
and the things that mean the most could never be explained.
