

Life Of Agony, Lost at 22 (Live)

If I knew what to do I'd do it.
If I knew where to go I'd get there someday.
If I knew where to fly I'd fly away, forget about life for a while.
But it never is that easy to just pick up and go and do as you're told like.
'cause life never works out that way.
If it were true the skies would be full everyday.

If I knew how to fly, I'd fly away.
If I knew how to fly, I'd fly away.
If I knew how to fly, I knew how to fly away.

Well I'm lost at 22 and I've got no fucking clue.
No I don't know if things will work out right.
I'm lost and confused.
I'm lost at 22 and I don't know if my life's gonna end up right.
'cause they keep on telling me that I'm young, dumb and naive.
But that's just what they want me to believe.

Well I'd rather be lost at sea than become part of this society.
Where the grass is always green and the air is always clean.
At least that's what they want me to believe.
At least that's what they want me to believe.

I'm lost at 22.
I'm lost at 22.
I'm lost.
