

# Life Of Agony, Other Side of the River (David Thoner Remix)

There's blood on the floor  
And you're not even moving  
Don't really know if it's mine or yours  
But you ain't moving  
Eyes are wide as you grin at me  
You know there's a place where you'd rather be  
If you should die and I survive  
How could I go on knowing that I'm still alive  
Here breathing  
There's a beast that's living deep within me  
Forcing me to feed all my needs  
Yeah he's in me  
And he brought us here to end our fears  
To wave goodbye to all of the tears  
To start a new life on the other side of the river  
Well my world would be over  
Hold on, hold on, I won't be long  
Wait for me, man, I won't be long  
You were such in a rush to reach the other side  
Look at yourself with that look in your eye  
Smiling wide and pre-occupied with that river  
Well my world would be over
