

Lifehouse, I'm Crazy For This Girl

She rolls the window down
And she
Talks over the sound
Of the cars that pass us by
And I don't know why
But she's changed my mind
Would you look at her
She looks at me
She's got me thinking about her constantly
But she don't know how I feel
And as she carries on without a doubt
I wonder if she's figured out
I'm crazy for this girl
I'm crazy for this girl
She was the one to hold me
The night
The sky fell down
And what was I thinking when
The world didn't end
Why didn't I know what I know now
Would you look at her
She looks at me
She's got me thinking about her constantly
But she don't know how I feel
And as she carries on without a doubt
I wonder if she's figured out
I'm crazy for this girl
I'm crazy for this girl
Right now
Face to face
All my fears
Pushed aside
And right now
I'm ready to spend the rest of my life
With you
Would you look at her
She looks at me
She's got me thinking about her constantly
But she don't know how I feel
And as she carries on without a doubt
I wonder if she's figured out
I'm crazy for this girl
I'm crazy for this girl
Would you look at her
She looks at me
She's got me thinking about her constantly
But she don't know how I feel
And as she carries on without a doubt
I wonder if she's figured out
I'm crazy for this girl
I'm crazy for this girl
