

# Lifehouse, Mesmerized

Filling a space, burning a chapter of your life  
This was the place that only you would know  
Walking away; watching the ashes as they fall

Reaching into your eyes  
I can feel you crawling through my veins  
Like catching the first sunrise  
Mesmerized

Sever the skies, bury the truth, forget the time  
These were the years we tried to leave behind  
Whatever we are, I still remember the way we were

Reaching into your eyes  
I can feel you crawling through my veins  
Like catching the first sunrise  
Mesmerized

Sometimes when I'm with you  
These feelings falling like a landslide as both of our dreams collide

Reaching into your eyes  
I can feel you crawling through my veins  
Like catching the first sunrise  
Mesmerized
