

Lifehouse, Somewhere In Between

I can't be losing sleep over this, no, I can't
And now I cannot stop pacing
Give me a few hours, I'll have this all sorted out
If my mind would just stop racing

'Cause I cannot stand still
I can't be this unsteady
This cannot be happening

This is over my head but underneath my feet
'Cause by tomorrow morning I'll have this thing beat
And everything will be back to the way that it was
I wish that it was just that easy

'Cause I'm waiting for tonight
Then waiting for tomorrow
And I'm somewhere in between

What is real and just a dream...
What is real and just a dream...
What is real and just a dream...

Would you catch me if I fall out of what I fell in
Don't be surprised if I collapse down at your feet again
I don't want to run away from this
I know that I just don't need this

'Cause I cannot stand still
I can't be this unsteady
This cannot be happening

'Cause I'm waiting for tonight
Then waiting for tomorrow
And I'm somewhere in between

What is real and just a dream...
What is real and just a dream...
What is real and just a dream...
What is real and just a dream...
