

Lifehouse, Unknown

This doubt is screaming in my face
This familiar place sheltered and concealed
and if this night won't let me rest
don't let me second guess
what I know to be real
put away all I know for tonight
and maybe I just might learn to let it go
take my security from me
maybe finally I won't have to know everything

I am falling into grace to the unknown
to where you are and faith
makes everybody scared
it's the unknown the don't know
that keeps me hanging on and on and on to you

I got nothing left to defend
I cannot pretend that everything makes sense
but does it really matter now
if I do not know how
to figure this thing out

I am falling into grace to the unknown
to where you are and faith
makes everybody scared
it's the unknown the don't know
that keeps me hanging on and on and on to you

I'm against myself again
trying to fit these pieces in
walking on a cloud of dust to get to you

I am falling into grace to the unknown
to where you are and faith
makes everybody scared
it's the unknown the don't know
that keeps me hanging on

and I am falling into grace to the unknown
to where you are and faith
makes everybody scared
it's the unknown the don't know
that keeps me hanging on and on and on to you
