

# Lifer, Breathless

offended by my obscenity  
mouth full of soap  
cleansing me  
asking for a little empathy  
mouth is stained please let me  
breathe  
don't breathe, don't breathe  
i can't breathe  
breathe  
don't breathe, don't breathe  
i can't breathe  
i am suffocating  
i am suffocating  
i am suffocating  
i am so frustrated  
drowning in my insecurity  
i am on my hands and knees  
begging for a little sympathy  
begging you to help me  
breathe  
don't breathe, don't breathe  
i can't breathe  
breathe  
don't breathe, don't breathe  
i can't breathe  
i am suffocating  
i am suffocating  
i am suffocating  
i am so frustrated
