

Lighthouse Family, Raincloud

There ain't no point calling back the time
Still gonna get you
Cause every little bird's gotta learn to fly
Sooner or later
I don't wanna lose you
You can't always do what you wanna do
There ain't no point calling back the time
Don't waste your time

Cause everything is out there
And there's no limits out there
We could be reaching out for anything
If we try it now

Let the daylight in
On a better day
It's been to long we've been baby
Under the raincloud
(x 2)

There ain't no point holding back desire
Still gonna get you
Strangers on a train driving through the night
Soon overtakes you
If someone feels the same as you
I might as well do as you want to do
There ain't no point holding back desire
Don't waste your time

Cause everything...

Let the...
(x 2)

Cause everything...

Let the...
(x 4)
