

Lightnin', Goin To Dallas To See My Pony Run

I'm goin' to Dallas, see my pony run
Goin' to Dallas, just to see my pony run
I'm goin' to Dallas, just to see my pony run
If I win any money, gonna bring my baby some

She's a cold black mare, put on a racetrack anywhere
She's a cold black mare, put on a racetrack anywhere
If I get to the place and it's crowded, I'll say have you got any room to spare

I'm going to Dallas, see my pony run
Going to Dallas, see my pony run
I'm going to Dallas, just to see my pony run
She wins every race and I can't see how it's done

She got a long life to live, cold black way remains
Long life to live, cold black way remains
When that horse wins that race she don't look like she's ashamed

I'm going to Dallas, see her run one more time
Going to Dallas, see her run one more time
If she wins this race for Lightnin', I'm gonna tell her she can retire
