

Lights Of Euphoria, Fly To Target

Fly to target!

No sympathy while bleeding
No time to cry
Divide and conquer
Innocents will suffer
Crush rebellions
Thoughts uncensored breed like cancer

Fly to target!

Converts to this misery
Preachers of insanity
Orphaned by technology
Glorified depravity

Fly to target!

The virulent disease called freedom
Bellies swollen
Brittle bones
Crushed under heavy foot of mankind
Sins as bullets fly to target
