

# Liil Rob, It's My Life

Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday

Let me tell you the type of things we go through, you know?

I rap about what's real and what I go through on the daily  
It's crazy, like my neighborhood back in the 80's  
I've seen shit, I lived it, I know it, so I give it  
I can't stop and I won't stop until I'm finished  
In the 90's you could find me on Hernandez with the homeboys  
Lookin' out for the chota, livin' la vida loca  
Look in my pockets, someone always had some fusca  
You know how it is, you rollin' through you keep trucha  
Bullets flyin' I ain't lyin', I got hit by one  
Jefita cried, I almost died and it was just for fun  
We're never doin' what we oughta be  
Rest in peace to my homeboy Peewee  
Got shot by a cop in a robbery  
And honestly, that part of our lifestyle is unsuitable  
Don't act like you don't know how it feels to go to a funeral  
(Silencio)  
That's how we're livin' though  
And then we wonder why they look at us like we're some f\*\*kin' criminals  
You know

Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday

I never left the pad without shavin' my head  
Getting cleaned up, creased up take a joint to the head  
Never been to Juvie hall, never been to the pen  
But to my homeboys, I'm someone you could depend on  
Used to use Crylon to write on fences and walls  
Big block, Old English letters standin' 10 feet tall  
United we stand, divided we fall

Tighter than some 1218's two sizes small  
Smile now cry later, f\*\*k it, why cry at all?  
And if we ever got busted homeboy, deny it all  
We didn't do shit, they can't prove shit and even if they could  
You never pulled rat or you're not welcomed back to the hood  
You're known as no good, that's how it was, that's how it is  
F\*\*k your predicament get your ass killed for that shit  
You don't believe me? I don't care if you do, or if you don't  
I'm just sayin' what the f\*\*k I've been through  
And it's no joke

Nevermind what I do, stick to you  
Let me live, it's my life

(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday

I get the smallest wires, wrap 'em with the smallest tires  
Blaze more trees than the San Diego wild fires, I get higher to inspire rhymes  
Say some shit to inquire minds and make sure they admire mine  
Make 'em wonder what the f\*\*k goes on in this mind of mine  
I'm a cool dude, we can blow up for the final time  
It's all the same, ain't nothing changed, it's still this style of mine  
Neighborhood music, talkin' about how we do shit, we cruise it  
We sometimes lose it and act foolish but who doesn't?  
Cause a ruckus, f\*\*k it, that's what you're stuck with  
Products of the barrio, got no where to go but we gotta go  
They ask me where I'm goin', shit I dunno  
Around the town, see who's around, see who's down  
To get a twelve pack and a pound  
I'm lookin' for the answer at the bottom of a bottle  
It's just my luck I gots no luck  
No California Lotto

Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Nevermind what I do, stick to you  
Let me live, it's my life  
(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man)
