

# Liilz, Glad U Came (ft. ZieZie)

The sun goes down  
my zoot comes up  
Smoke a 3.5  
but it still ain't enough  
My mind is fucked  
it wont ever be the same  
i'm glad you came  
i'm glad you came

Life's like a book  
i'm on the next chapter  
hips like Shakira  
but she an actor  
Its just a factor  
She's full of beautiful lies  
man she's just a capper

Played with my heart  
Then guess what she said  
"Beyond me you got a great future ahead"  
Then left me on read  
Fuck these hoes  
save the love for the family instead

Stick to my family  
Stick to the team  
Seen the bad shit  
You'll see in your dream  
i'ma be on top with a high esteem  
Gotta stay humble when i fuck up the scene  
Supreme  
McQueens  
Materialistic things i don't need  
Not that guy to change for the p's  
H said "Its in the trackies, not in the genes"

The sun goes down  
my zoot comes up  
Smoke a 3.5  
but it still ain't enough  
My mind is fucked  
it wont ever be the same  
i'm glad you came  
i'm glad you came

I'm glad you came shawty  
Bout time you stay for me  
Outside with Liilz  
We give them chills  
We ain't the same buddy

Cuz when the sun goes down  
I hit my blunt  
I'm glad you came  
Bet you glad i'm paid  
Or is it fame  
Why you roll with us  
Is she really down for us  
Tell me would you stay  
Cant make her stay  
She cant keep it real  
For the real  
For the real

The sun goes down  
my zoot comes up  
Smoke a 3.5  
but it still ain't enough  
My mind is fucked  
it wont ever be the same  
i'm glad you came  
i'm glad you came

The sun goes down  
my zoot comes up  
Smoke a 3.5  
but it still ain't enough  
My mind is fucked  
it wont ever be the same  
i'm glad you came  
i'm glad you came
