

# Like A Fox, Carry It On

Gone away  
Never stay  
Sink or swim  
Frozen grin

Return or pay  
Sleep and stay  
Day and night  
Dark or light

I'll carry it on until my head it explodes  
Carry it on  
Looking back it was a heavy, heavy load  
Carry it on (eating from the inside out I'm gone)  
Carry it on until my head it explodes  
Carry it on  
Looking back it was a heavy, heavy load
