## Like A Fox, Carry It On

Gone away Never stay Sink or swim Frozen grin

Return or pay Sleep and stay Day and night Dark or light

I'll carry it on until my head it explodes
Carry it on
Looking back it was a heavy, heavy load
Carry it on (eating from the inside out I'm gone)
Carry it on until my head it explodes
Carry it on
Looking back it was a heavy, heavy load

Gone away Never stay Sink or swim Frozen grin

Return or pay Sleep and stay Day and night Dark or light

I'll carry it on until my head it explodes
Carry it on
Looking back it was a heavy, heavy load
Carry it on (eating from the inside out I'm gone)
