

# Lil Baby, Get Ugly

ATL Jacob, ATL Jacob

It can get ugly (Huh)  
Would you leave or stay like you love me?  
From the bottom, all I know is the struggle  
Can't get no job, so all I know is the hustle

Yeah, bankroll gettin' bigger (Nigga)  
Empire gettin' built up, givin' racks to the right nigga  
I can get a pack overnight, ain't nothin' like you niggas  
Sippin' syrup 'til my body numb, I ain't tryna catch no feelings  
I ain't never bite no nigga  
She give me brain now 'cause I'm famous  
I got these chains on, gettin' tangled  
I'm in the big Benz, not a Wrangler  
It's still a Jeep though, it ain't cheap, ho  
I'm just happy they gon' free Rico  
Dodgin' stank hoes and R.I.C.O.  
I'ma spin a van with them Dracos  
Probably ridin' around with Starlito  
I'ma bust it down with my lil' bros  
Buy cars for all of my kinfolk  
If the sack ever did get low  
God knows it's gon' be a robbery  
Why the fuck everybody callin' me?  
Everybody who left took a part of me  
Excuse my drip, yeah, pardon me  
Show me a list of who hard as me

It can get ugly (Huh)  
Would you leave or stay like you love me?  
From the bottom, all I know is the struggle  
Can't get no job, so all I know is the hustle

Right back after tour, ain't got time for no attitude  
Why I cannot lose, feel like I had to do it  
I'm in my savage mood, put a lil' back into it  
Treat me with gratitude, I ain't no average dude  
Need my rims offset like Cardi B  
This might be my hardest beat  
Put the blame on Pee, he started me  
Got the game from Big, he guarded me  
Coach threw me in, took me out the streets  
Now I get racks to rap on beats  
I still know plugs with packs for cheap  
Killers owe favors, they'll whack for free  
Never did fraud, I got cash receipts  
Lotta niggas get they swag from me  
Don't tell nobody 'bout bags from me  
You were not in the street, you wouldn't last a week  
My bitch so bad, I pass on freaks  
I'm here 'cause my granny be prayin' for me  
None of these niggas ain't playin' with me  
Got hitters that'll sit in that can for me, yeah

It can get ugly (Huh)  
Would you leave or stay like you love me?  
From the bottom, all I know is the struggle  
Can't get no job, so all I know is the hustle, yeah
