

# Lil Boosie, Im Sorry (Boosie Bad Ass)

Lil Boosie I'm Sorry (Boosie Bad Ass) Lyrics

(Lil Boosie talkin)

I ain't never wrote no song sayin I'm sorry man but I'm sorry

(Verse 1)

Now since birth I hurt ya I made you turn purple stole change from ya purse wouldn't shut my mouth

(Chorus)

And Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry

When push come to shove she be always there

And Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry

When push come to shove she be always there

(Verse 2)

Right I'm hollin f\*\*k everything

F\*\*k that syrup and everything

F\*\*k them cigarettes I'm tired of gettin sick and shit

that ain't no killa shit wanna know what happen at a video you don't no what happen I'm a let ya no

bleak over me

rob over me

curry over me

hollin why

heart beatin fast its time to die my blood suga 565 cant take the shit up in my dick finna check mys

(Chorus)

And Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry

When push come to shove she be always there

And Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry

When push come to shove she be always there

(Verse 2)

Now I promised her and he promised me get some stacks before you leave the streets yeah tell me

Don't go to church cause my grandpa picture lookin at me and everytime he lookin at me look like h

(Chorus)

And Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry

When push come to shove she be always there

And Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry

When push come to shove she be always there

When push come to shove she be always there

When push come to shove she be always there

When push come to shove she be always there

MAMA I'm sorry

Mama I'm sorry

For everything I put you through

everything I did for you

I did it cause I'm sorry
