

# Lil Cuete, Real Love

:chorus:  
hey girl don't you know  
money buys almost anything  
but it cant buy real love.

::Lil Cuete::  
i see you everyday but you never look at me  
you're always looking good but you look unhappy  
Tell me why you choose to live like this  
If you were mine i'd never make you feel like this  
You need a man not someone thats gonna hurt you  
you need to let him go he doesnt deserve you  
and when i say i'll make you happy it's true  
or you could stay with your man  
and get your heart broken too  
but here's my number call me up if you want  
and when you feel lonely you could roll through my spot  
see i ain't trippin homies lost in my game  
nobody know's it til we say 'cause im ahead of the game  
'cause im a king what i need is a queen  
i could have a million dollars but it wont mean a thing  
now i aint rich but i'll tell you one thing  
i could give you more happiness then money can bring

::chorus:  
now i don't drive a fancy car,  
no diamond in my pinkie ring  
barely make enough to get me by  
not left for material things  
but hey girl don't you know money can buy almost anything  
but it cant buy real love

::LiL Cuete::  
i want to be ur only one  
and u could be mine to  
'cause baby im going crazy  
when i think about u  
i get excited when i see you come through  
nobody else made me feel the way that you do  
i need a woman not a girl  
not just someone to f\*ck  
i dont mean no disrespect

but thats wassup  
i see you smile when i talk like that  
it seems like it's been a while since you smiled like that  
but maybe we can kick it  
you spend a little time  
sit down one-on-one  
and let you know what's on my mind  
i know a good thing when i see it  
and i see it in you  
so tell me what i gotta do to make you feel the same  
'cause im a king what i need is a queen  
i could have a million dollars  
but it won't mean a thing  
now i ain't rich  
but i can tell you one thing  
i can give you more happiness  
then money can bring  
and thats real

::chorus::

now i don't drive a fancy car,  
no diamond in my pinkie ring  
barely make enough to get me by  
not left for material things  
but hey girl don't you know money can buy almost anything  
but it cant buy real love

that's all i've got to give my heart and soul to you  
only way i wanna live sharing each moment with you  
take it fast take it slow girl you know it's real this time  
don't let natural love pass you by baby

::chorus::

now i don't drive a fancy car,  
no diamond in my pinkie ring  
barely make enough to get me by  
not left for material things  
but hey girl don't you know money can buy almost anything  
but it cant buy real love

So Real.....(fades away)
