I can be a lot of things  
but, selfish isn't one with them  
honestly sometimes i wish that i could be  
cuz then probably we would get along  
and i wouldn't care  
about what you say  
when we both disagree  
i feel so betrayed  
cuz u make it seem  
like you prefer living without me  
so what u gonna do when it's over  
if i get your wish never return back  
(tell me)  
when you still be able to keep you're head up  
and no one believe in u were perfect  
and when u gonna run when it's hits u  
that you better off with me  
(yea)  
cuz when its said and done  
i can guranatee  
u wont find me me me me me me me me me  
u won't find me  
i came to this one piece  
then i got lost and gave you half  
fifty fifty was in love half clearly  
cuz you're show in cordless  
i give u take one mistake  
and you forget everything i've done  
its like a race that never ends  
i can only run it so far  
so what u gonna do when it's over (ooo)  
if i get your wish never return back  
(tell me)  
when you still be able to keep you're head up (keep your head up)  
and one believe in u were perfect (ohh noooo)  
and when u gonna run when it's hit u  
that you better off with me  
(you better off with me baby)  
(yea)  
cuz when its said and done  
i can guranatee (ooooo)  
you won't find me  
all you do with complain  
how bout a goal  
and unleash the game  
here is the key  
baby i unlock the chain  
if i makes you feel like a prisoner  
i'm such a fiene  
you sure this is what you want? (huh)  
cuz when i leave (hey)  
i promise you you won't find me  
so what u gonna do when it's over (overrr)  
if i get your wish never return back (turn back)  
(tell me)  
when you still be able to keep you're head up (head up and keep thinkin your so perfect)  
and one believe in u were perfect (ohhh ooooo)  
and when u gonna run when it's hit u (has it hit you yet baby?)  
that you better off with me  
(you better off with me baby)  
(yea)  
cuz when its said and done  
i can guranatee

u wont find me me me me me me (ooh not me no more)  
(not gonna find me me at the front door)  
(you won't find me me no more)  
(not gonna find me knocking at your front door)  
me me me  
u won't find me
