With no money nigga, with no hoes, with no clothes, some niggaz
In night in parole but, I'm still cold on the motherfuckin mic nigga,

I ain't white nigga, niggaz hate me, but I don't really care,
Cause I'ma be a legend like Andre Wettah, you can't fuck wit me,
You might as well jump down cause I'm the hardest freestyler around,
Man, Lil' Ron we havin a little fun, we packing big bullets and we got
Those little guns, nigga, we don't play with you niggaz, that's why
We won't spend a motherfuckin day with you niggaz, you niggaz
Talkin, hatin and chit chat, nigga we the fuckin sucka free nigga
On the map, and I did like that, my nigga, in this rap game,
Committed like that, I can spit it like that, what my fitted like that,
When you I can do dat nigga I did it like that, there was a reason,
I'm ballin every season, nigga I'm young dirty ass hevened, but I
Found my way up part the ghetto, you tried to take what I work
Before I got the ghetto, and I don't play wit you niggaz, fuck you,
