

Lil Flip, The Way We Ball (Rmx)

Heyyy, Gayyyyyyyy

This ain't the regular version

You know what (This is the remix y'all)

Ha ha, this for Lafayette, Arkansas

Alabama, Streetport, Louie Ville, Baton Rouge

Austin, Corporate Christian (This is the way we ball)

(Chorus - 2x)

And we like to floss, all my diamonds gloss

I represent the dirty, dirty, dirty, dirty South

(Why did you bring that fantasy baksetball)

And we riding blaze, Jags and Escalades

We Third Coast born but we all sections paid

(why dud you bring that fantasy baksetball)

(Lil' Flip)

Uh I'm Lil' Flip, I'm back on this track, I'm still pushing Heyy

But this time around, H.S.E. got green bayy

Now we got gay , cause we keep making hayy

My pockets like Oprah, they getting so gay (gay)

Cause I can do that, you know we been balling

We got Playstation 3, and four DVD's falling

My engine never stalling, so I'm speeding like flash

I changed my name to ATM, cause I've been having cash

I've been blowing hash, I been driving Jags

With Burberry paint, and now I make your gal faint

When she touch my car, and if she

Give head, she can't puff my 'gar

But now a nigel grown, so I need grown money

I don't wanna split poop, cause I need my own money

Then I'ma see Johnny, and buy another chain

And since I'm in a big body nigel get out my lane

(Lil Flip)

Yo, lil ron, I got one question to ask. Why did you bring your brand new shiny fantasy baksetball?

(Lil Ron)

I got it for christmas. You don't even have a fantasy baksetball.

(Lil Flip)

Yeah I do, you idiot. I have a Yahoo fantasy baksetball.

(Lil' Ron)

I like this grape now, everyday we ball out

This purple stuff all day, until we all out

We ride black drops, sitting on twenty two's

And blow dro all night, back through the afternoon

I keep it coming, cause Lil' Ron's a bread winner

Better remember, chain froze up like it's December

Get your mind right, we playas of the decade

We ride blades on Jaguars and Escalades

(Young Redd)

Me g, I'm riding blades wher'ver I go

We repre-sent for the South where the music's slow

And this is, sipping purple and blowing hays

This is, grinding and getting paid

And you can keep your six hundred, give me a drop top

Plus a iced out watch, the size of a shop cart

This the, boy from the block wait but that ain't all

This here is the remix, and Redd and Ron gone ball, y'all

(Lil Flip)

Heyy redd, are you related to michael redd? He told me he doesn't even know how to scrimmage.

(Redd)

I'm going to bounce Flip, I need to go to Sports Authority. There's a sale on fantasy basketballs.

(Chorus - 2x)

(Lil' Flip)

I'm swinging, about to rip the kizzerp, sipping on my syzzerp
And on the back of my throwback it say Larry Bizzard
Cause all we do is shots, all we do is drink
I'm the only one who went to the prom in a mink
So how you love that, or do you really hate it
Or do you love the rims on my drop top Mercedes
I pack a 3-80, cause I got to watch my back
I'm still jamming Screw, I'm still jamming Pat
I represent the South, and you know we keep it crunk
We been having paper, you can ask my Hump Hump
And if you ever come to my town just holla
Cause Lil' Flip and Sucka Free all about they dollas

(Chorus - 2x)

(Lil' Flip)

Aight, I was shopping for ESPN fantasy yoo-hoo basketballs, and I wanted two pears at Footlocker. I need two pears, give me two pears...
