

# Lil Jon, Knockin' Heads Off Feat Jakdakiss!

(Lil Jon)

Come on, yeah OK

Motherfucker, y'all know who it is

Lil Jon, them motherfuckin' East Side Boooooyz

I got my nigga Jadakiss with me too (D-Block, live son)

We gon' do this for all the real motherfuckin' niggas

(Uh uh uh uh yo)

Holla at them niggas J, come on

(Jadakiss)

Yeah, Kiss name known, matter fact, Kiss name blown

And bitches always wanna hit me like I just came home

But I still put the tools in ya mouth

Niggas know that I'm a monster on the East, but I'm huge in the South

This is evil in the trenches and everybody starvin'

So to get the money right we put the deisel on the benches

&quot;Down Bottom&quot; feel like the ol' days

Fuckin' with the corn liquor ridin' around listen to O'Jays

When we loadin' the clip every slug gotta catch

When you goin' to war every thug got his match

SS baby, blue Impala with the mack in it

Big gold cup with rhinestones with my pack in it

It's like the jungle but the broads is fine

And if they ain't puffin' crippie, then this Georgia fine

Listen, I'm the wrong nigga to style with

My motherfuckin' problem to reconcile with

Nigga what

(Hook)

We knockin' heads off, yeah

We knockin' heads off, yeah

We knockin' heads off, motherfuckin' heads off yeah

(Styles)  
I'm Holiday Styles, where the fuck you thuggin' at  
I knock off ya head with a Louisville Slugger bat  
P'll go to war and ain't never have to bring a nigga  
My gun is armed and my bullets like a finger nigga  
Call up Lil Jon and them East Side Boyz  
All I need is a lil' bomb and them East Side toys  
You can catch me in the Dirty South, I got a dirty mouth  
Sittin' on the roof with the fuckin' 30-30's out  
I told you I'm a menace y'all  
I got enough guns to fill up the Lennox Mall  
In the front parking lot, coke still movin' good  
Guns still sparke a lot  
Hustlin' with family, partyin' with murderers  
D-Block and everything, shit you probably heard of us  
Yeah I'm a Ryder nigga, you ain't got a gun  
Or a motherfuckin' knife, you ain't even gon' try us  
I'll leave you with a hole daddy  
And for the fact that I'm in the Dirty South  
I'll be bouncin' in the old Caddy  
What - motherfucker!.....
