(This, is, the, G-mix)

(Lil' Cease) + (Snoop)

(When I'm f**kin off gin I'm invincible)

Don't love no hoe (That's my principle)

Cause ahh.. (Bitches come)

And ahh.. (Bitches go)

That's why I get my nut and I be out the f**kin do'

Say knock, knock, give ya dog a bone

Which one of you broads Cease can take home

Cease is a freak, big brown and large

F**k with the hoes, big light and tall

It take two to make the thing go right

Strip, flash, titties, ass

Oh, no, Cease-A-Leo baby

All up in that ass, you so crazy

I'm a freak from the heart and I'll f**k for y'all

And your mouth hit the spot where I rest my balls

I pimp to die, and my mob pimp for me

That's why Cease never eat chicks for free, you feel me?

(Chorus: repeat 2X)

How many, hot licks does it take?

Mami, how many hot licks does it take

(I don't know, I don't know, just keep on lickin it)

But how many, hot licks does it take?

(Snoop Dogg)

Break breakin a bitch

Take takin a bitch, to a whole 'nother level and shit

Man, I didn't really wanna take her there

Because, she kept on pullin on my underwear

I don't send for hoes, I pimp for hoes

I do this for dis and dose

"Figaro, Figaro.."

Nigga we got hoes, we got hoes.. we got hoes

Fo', five, six, seven.. licks

Now mami, lick it again

Eight, nine, ten, eleven.. twelve

Now tell all your friends

Bring Keisha, Evette, and Shamika too

Brandy and Sandy and lil' bitty Candy

And we doin this all night long

Get ya pick on lick on, and your proper freak on

(Chorus)

(Lil' Kim)
