

Lil' Kim, Keys To The City - Feat. Trish Stratus

Ha ha ha ha,
I don't care what yall say,
whoa!, is time to rock n roll,
This time Im in control.
whoa!, right now I'm on the streets,
I got the keys to the city,
Thats cause I get down.
whoa!, is time to rock n roll,
This time Im in control,
Right now I own the streets
I got the keys to the city
Thats cause I get down.
Sometimes I wonder how I made it this far
With all these people haten on me
Yall know who you are
Said girls are being losers
This game wont go that far
But know I own the keys to a brand new fancy car, baby.
Its my turn to burn and now Im gonna rub it in your face
When will you learn Im the queen and Ill put you in your place,
Ah huh huh,
How dare you try to go against the glorious one,
Ill slaughter you son
Its over
The story is done
You can be number two
But Im second to none
And you forgot queen B! is the notorious one
Oh
Baby baby baby baby baby
Im the creme de la creme so you can never play me
See Im more than your lady
I'm more than a lover more than enough for ya!
Please try to understand me
Gonna stay at the top cause I dont give a damn
I dont care what yall say
Im gonna keep doin me
Y'all cant fade me
