

Lil' Kim, One Shining Moment

The ball is tipped and there you are!
You're running for your life you're a shooting star!
And all the years no one knows
Just how hard you've worked
But know it shows!

Chorus:
In one shining moment it's all on the line!
One shining moment you're frozen in time!

The time is short and the road is long!
In the blinking of an eye that moment is gone!
And when it's done win or lose!
You always did your best cause inside you knew!

Chorus:
That in one shining moment you reached deep inside!
One shining moment you knew you were alive!

Bridge:
Feel the beat of your heart!
Feel the wind in your face!
It's more than a contest!
It's more than a...A race!

And when it's done win or lose!
You always did your best!
Cause inside you knew!

Chorus:
In one shining moment you reached for the sky!
One shining moment you knew yea!
One shining moment you're willing to try!
In one shining moment you knew!

One shining moment!
