

# Lil' O, Playas Still Get Chose

(Big Moe)

Ooooooh, yeeeeeeah

Take it from a thug, take it from a thug

(Hook: Big Moe - 2x)

Thug niggaz, never sweat these hoes

Cause playas, always get chose

So you don't gotta trick, your do'

If you real you gon hit playa, take it from a pro

(Mr. 3-2)

Now playas, still don't sweat these hoes

Spitting conversation, while I ride deuce-4's

You know's how I do, I get paid off a trick

Changed my name from Mr. 3-2, to Pimp Chris

I ain't ya suga daddy, like Willie Fu-Fu

2003, girls got on they choosing shoes

Keep my pockets paid, my Harley got sprayed

They breaking they toes, to keep daddy living laid

Playa made, from the bottom to the top

Making boys drop out, 'fore them panties drop

I hopped in this pimping, cause girls love a playa

Do anything I say, and come back with that thay-ar

With no problem, or harassment at all

That's why when I'm in the mall, we all gon ball

Gucci for them, and a mink for me

Baby playas get chose, it ain't hard to see

(Hook - 2x)

(Lil' O)

I don't grab they arms, I don't pinch they ass

These hoes know, when they see a young nigga with cash

Cleaner than a motherfucker, like I just took a bath

So when these hoes walk by, how the fuck can they pass

A nigga like me up, she know that it's real

Plus I'm from Big Ballin' Texas, she know that I'm trill

And she heard that I can fuck, she wanna know how it feel

I'ma take her to me bedroom, and show her my skills

Cause I'm a playa that get chose, it's my call of duty

And I wage war with cot, and I brawl with booty

And this message goes out to, all my cuties

That I done beat the pussy up, and put all them movies

Had the time of your life, girl your nigga's a G

And you always gon call me, cause your nigga's a flea

And everytime you go to sleep, boo you dreaming bout me

Cause deep down I'm everything, you want your nigga to be

A gangsta a gentleman, plus I talk with class

But I'll still bend you over, and walts that ass

Pull your perm acting out, once I'm talking trash

Like baby who pussy this, pop-pop that ass

(Hook - 2x)

(H.A.W.K.)

Everything's, still lovely

I'm on drank, I done chilled off the Bubbly

Niggaz mad, cause they hoes wanna fuck me

But these boys, these boys they bet not touch me if you ugly

Boys wondering why, they hoes be fiending

Cause they done licked on my nuts, and swallowed my semen

Hoes be dreaming, of having sex with me

And these jealous ass niggaz, got plex with me

See girls get full of that, extasy

And they all wanna fuck me, O and 3  
Since I'm the H-A-W-K, I'm doing things my way  
I fucked her and her, and your fiance  
Your girl was bootylicious, just like Beyonce  
And your niggaz wanna be like me, someday  
No how no way, can he do this  
And how many hoes, out there suck dick

(Hook - 2x)
