

Lil Pump, Movin (feat. SmokePurpp)

Lil Pump

Work come in, I'm movin', ooh
Work come in, I'm movin', ooh
Trap house looking so stupid, yeh
Trap house looking so stupid, movin'
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Work come in, I'm movin', ooh
Work come in, I'm movin', ooh
Trap house looking so stupid, yeh
Trap house looking so stupid, movin'
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh

Movin', movin', movin', ooh
That bitch acting stupid, ooh
Hundred on my wrist, Rick Rubin, ooh
Coming in the trap, I'm movin', ooh
Damn, Lil Pump fucks your mother
Damn, then I'll rob your brother
Damn, slap him with some butter
Damn, hundred on my wrist like Usher, damn

Hunnit on my wrist like Usher
In the Rari, bitch I'm burning off rubber
Fuck a bitch, give a fuck 'bout her brother
If the teacher give me homework, I'm a cut her
I be in the trap, I be in the trap
Lil Pump pull up and gave your momma crack
Ran through the back, cause you know I need a sack
Pull up to the wedding and I pull up with a strap

Work come in, I'm movin', ooh
Work come in, I'm movin', ooh
Trap house looking so stupid, yeh
Trap house looking so stupid, movin'
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Work come in, I'm movin', ooh
Work come in, I'm movin', ooh
Trap house looking so stupid, yeh
Trap house looking so stupid, movin'
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
Movin', movin', movin', ooh
