

Lil Pump, Pose To Do

There ya go
You know what it is, when ya hear that
Lil Pump
Montana
(Molly Mall)

What I'm supposed to do?
What I'm supposed to do?
What I'm supposed to do?
What I'm supposed to do?
I'm surrounded by all these bad bitches, but I only want you
I'm surrounded by bad bitches, but I only want you
What I'm supposed to do?
What I'm supposed to do?
What I'm supposed to do?
What I'm supposed to do?
I'm surrounded by all these bad bitches, but I only want you
I'm surrounded by bad bitches but I only want you

What I'm supposed to do? Pick 'em by the two
Smellin' like Gelato, when I'm walkin' through
Surrounded by some scamo bitches, but I want you
Space coupe, UFO, take off vroom
Chopper bite at you, drop thirty on some shoes
Fuck you and your crew, panties on the roof
I took you to Calabasas, now I like you
My bitch cannot wear no UGGs, she got Chanel boots
All these Lambos in my driveway, what I'm supposed to do?
How I'm supposed to move? Let me play with your cooch
Bitches in my room and I left 'em for you
She might be a thot but I'm a thot too

What I'm supposed to do? (Ha)
What I'm supposed to do? (Ha)
What I'm supposed to do? (Ha)
What I'm supposed to do?
I'm surrounded by all these bad bitches, but I only want you
I'm surrounded by bad bitches, but I only want you
What I'm supposed to do? (Ha)
What I'm supposed to do? (Ha)
What I'm supposed to do? (Ha)
What I'm supposed to do?
I'm surrounded by all these bad bitches, but I only want you
I'm surrounded by bad bitches but I only want you

Bad bitches all around me, hundred acres keep me grounded
Phantom speedin' through Calabasas like Robert Downey
Hottest in my town, talkin' sauce but we drownin'
Turn in to the Max, till he free Max out the county
I got choppers that'll lift up thirty bouncers
Talk drip, sell it bottled up in twenty ounces
Drip, drip, drip, yeah thirty fountains
Dirty birds, like the Falcons
Number on in thirty countries
I need two piece and a biscuit, groupies and a mistress
Chain piece like a district, on two piece getting lifted
Nigga, I'm the truth, coupe looking like a torpedo
Carlito's Way and got the album on the way
(Montana)

What I'm supposed to do? (Ha)
What I'm supposed to do? (Ha)
What I'm supposed to do? (Ha)
What I'm supposed to do?

I'm surrounded by all these bad bitches
But I only want you
I'm surrounded by bad bitches
But I only want you

I want a two piece, I really wanna
I want a two piece, I really wanna
I want a two piece, I really wanna
I want a two piece, I really wanna
I want a two piece, I really wanna
I want a two piece, I really wanna
I want a two piece, I really wanna
I want a two piece, I really wanna
