Lil Rob, Fuckin Wit My Bizzness

(Lil Sicko)

As I pull out the strap and get ready to kill Seeing you on the floor, is my big fucking thrill Trying to kill me again, HA, don't make me laugh What made your ass think that our business would last? Trying to fuck with my money, when I treated you cool But you didn't know your fuckin' with this crazy ass fool 18 years old, and a baller for life Never forget that night, that I fucked your wife Trust a g with my kilo, I gave you stack's of c-notes Pimped road in the lex, then we lounged on speed road When you needed some men, you knew I was always there And you needed days off, but I really didn't care We came really tight, and I had you around To the fuckin' day, I was missin' a pound Fucking bitch thought I was a clown Then turn around, pop goes the strap, and your body was found

Chorus:

See I lost one, and you found one Now they knowing your a bitch Because you caught one Now I'm knowing that you won't forget this (why) That's what you get, for fuckin' with my bizzness

(Lil Blacky)

When we were youngster's, we would fight over the same girl She had some juicy lips in a sparkle of a plural I like her lot, but she wanted from me Is a year older, you always have more chances then me But I was in a raza, and I had a lotta ridges Always taken back with three, four, or five bitches But I got stuck, with an old ass hag That was gettin' very ugly, and always on her rag And you a guy, you was so tough Kick it back with your lady, but you ain't even crazy Now your jealous, and I'm winnin' this game I'm a playa for life, and Imma push you in shame Who da blame but your self, through sickness and in wealth This I will tell, now tell me what the hell

Now what?...Fuckin' bitch Lil Sicko, Lil Blacky, Hectic one doing this shit

Chorus 2x

(Hectic)

You fucked up, when you turned on me Became a rata, now your d-i-e We pulled mission's and always got away Makin' stack's of bill's, that will make our day We split it, and we made a profit No one ever stopped it, why you fuckin' jockin'? It's me? the one and only Hectic Sit back, respect it, as I fuckin' wreck it Muthafucker

Chorus 4x
