

Lil' Rob, Lost In Love With You

* how you doing sweet heart?

hey you know these last few months we've been together?
they happened so right and im just happy for what we share,
Im just wondering how you feel.

GIRL SINGING

* I wanna get lost in love with you
and do all the things you want me to.
caress your body, touch your soul,
'cause boy i love you soo. (2X)

LilRob

* The love we share, something so especial,
Estar contigo, is all i want to do everynight.
ever since el primer dia, the first day,
i knew it'd last forever if i had it my way.
so the days go on, no ago otra cosa.
but dream about the moment our hearts will come closer.
holding tu mano, and your face tan bonita,
never met another young lady senorita,
and that is why you gotta say that your the best,
a million and one ways just to express,
mi amor, i know that we will be together,
so sing to me baby and sing forever.

GIRL SINGING

i want to be with you always,
together foever till our ending days.
hold me baby dont let go,
makin love like never before. (2x)

LIL ROB

makin love in the night time, walks in romance,
im telling you hermosa, my heart is in a trance.
They say that true love is so hard to find,
i thank the man up above for making you mine.
talkin on the telephone sending you kisses.
a dozen of roses just to say that i am missin.
the warmth of your body right next to mine,
eres tu la mejor, like a toast of fine wine.
out to the movies, maybe sharing some ice cream.
estoy dormido, dont wake me from my dream
todo lo que quiero all i need is your affection
my life was fine but you brought perfection.
now we sit here just holding hands
wispers in my ear, telling me that ill be your man.
today y manana a paradise for the two
i hope you feel the same way 'cause im soo in love with you,
