

Lil' Romeo, I'll Be Holding On

You say goodbye
I can't even find the reason why
I know that I've been a fool
But I never thought
I'd be without you
Cause you are my love
You are the only girl I'm dreaming of
when I say I'll never let go
Just believe in me
I want you to know
Baby.....
I'll be holding on
I'll be holding on
Forever till you come home
I'll be holding on
You know it's true
That I'll be waiting here for you
I believe wherever you go
there's a chance in you and me
and I want you to know
Baby.....
I'll be holding on
I'll be holding on
Forever till you come home
I'll be holding on
Gonna make it
Gonna show you (yeah)
That I mean it (yeah, yeah)
From the bottom of my heart (From the bottom of my heart) (yeah, yeah)
Let me tell you (Oh)
How I see it (Baby)
Cause I know that
We can make another start (We can make another start)
That's why
(I Will Be Here For You)
(Holding on)
I'll be holding on (Holding on)
I'll be holding on
forever till you come home
I'll be holding on
I'll be holding on (Holding on)
I'll be holding on
Forever till you come home (Come Home)
I'll be holding on (I Will Be Holding on)
(Forever Baby)
I Will Be Holding on
