

# Lil Scrappy, No Problem (Current Radio Edit)

(Trillville talking)

(chorus)

You can get crunk in the club  
roll wit your hood  
throw it up in the club  
or you could get buck in the club  
get messed up in the club  
shawty we don't give a what, what  
but you don't want no problem  
but you don't want no problem  
but you don't want no problem with me  
cuz BME we be?

You don't wanna be out in the streets  
mouth full of ----- and soaked from the ----  
why you tryna act hard as hell  
and you know damn well you don't wanna feel the -----  
i been down by the law  
--- to my head temper pressed to the wall  
i got grapefruits big like baseballs  
split ya dome, straight knock out all ya'll  
hell no them boys don't play  
straight ---- to ya face  
put your thang away  
and ---- don't feel good to my head  
i pray for the folks in the club gettin scared  
got a problem with that

(chorus)

Hold em back, hold em back  
man bust that bust that  
---- that hold em back  
gotta push that push that  
hold em back, hold em back  
push that push that  
---- that hold em back

Hey shawty it's on  
can't believe it's on  
keep poppin in my face I'll make you lose ya dome  
learn to rush lil bustas  
it's gonna hurt  
if a hater fall  
that's when it gets worse  
the problem with you lives is  
you just talk to much  
man swang on a playa and touch his --- up  
and you can walk on by with your chest in a tub  
i'll be yo ? if you really won't get crunk  
in the A we don't play them games  
we just stack that change and ---- up them things  
gettin buck if you wanna and catch a bow  
even have a pretty lil' girl beat you up and take your dough
