

# Lil Wayne, Grown Man

[Lil Wayne Talking:]  
What's up baby?

I ain't trying to do nothing but get me grown man on

I ain't trying to hurt you

Only if you want me to (haha)

Yea, something like dat

[Verse 1 (Lil Wayne):]

Yea, What's happenin' baby I'm Lil Wayne from New Orleans  
Fresh out tha navy now tha captain of my own team  
Hop in this, machine, vanish from tha scene  
Goddamn it I'm so mannish  
Handle it like a standard  
So put yo panties and yo pants my tha trash can  
Romance on tha floor plans (yea)  
We hold hands while we rollin', just trying to keep up wit tha program  
Just trying to sneak up on ya, like how you doing maam  
I'm a old soul, and a young man, we got to it and  
We didn't stop 'til tha birds hit tha block  
And she ain't never had it like that [laugh]

[Chorus:]

Girl... you are... so fine  
I wish that I could get you over here, girl  
Tonight... so I... can get my grown man on wit you [2X]

[Hook (Lil Wayne):]

You don't know about it, how I'm a grown man  
You don't know about it, how I'm a grown man  
You don't know about it, how I'm a grown man  
You don't know about it, how I'm a grown man

[Verse 2 (Young Money):]

Now I don't really hit tha club but tonight I'll make an exception  
For some reason I can't seem to keep my eyes out your direction  
I'm lookin' at you so hard, I could probably catch a charge  
Feelin' tha way you walk when you move yo booty applaud (damn)  
I gotta keep my composure  
I gotta intact my mission and handle business like a soldier  
Young man, young money but tha money long currency the hot spitta so grown  
And yo perception of me is so wrong  
Don't worry bout what you heard bout me and them other birds  
Might have done a lil dirt and left a few of them hurt  
But whatever has occurred they all got what they deserved  
And you don't rock like that, um I can see it in yo eyes  
If you ain't good for me then you wearing a disguise  
Cause tonight you lookin' like miss right  
And I'm suppose to be a player for life, but I'll change for ya

[Chorus & Hook]

[Verse 3 (Lil Wayne):]

You ain't no woman you a baby gurl, living in tha ladies world  
And I'm a grown man, tha women understand  
See what I go through, is what I owe you  
So you should throw that ass back to me right now (yea)  
Fly boy baby sit back relax and, cruise wit a nigga destination satisfaction  
Whose is it baby she say weezy fucking baby  
I say yes and fucking deed, she say don't you ever leave  
I say, I say but I got money on my mind

Then I tell her never mind and we do it one more time [laugh]  
For a large amount of time, long and won't stop 'til daytime come home (yea)

[Chorus & Hook]

[Lil Wayne Talking:]

Damn, look, that.. o that right there, thats tha sunset girl, get cha visor, where those Chanell shade  
and I'm always buying new things (haha), I come a long way huh remember... remember dat block,

[Lil Wayne:]

You ain't no woman you a baby gurl, living in tha ladies world  
And I'm a grown man, tha women understand  
See what I go through, is what I owe you  
And you should throw that ass back to me right now
