

# Lil Wayne, More To The Story (feat. Raekwon)

Oh, you ain't hurt  
Dope man aain't cool no more  
Cause dop man tried to charg   him  
Double for the usual  
Damn

You just don't hear good news  
No more  
After i tell a story  
I gotta kill who i told

Okay  
There's no package that came in  
Had the whole house thinking  
Trap house doorbell ringing  
Trap house getting too famous  
His Trap house popping all night  
The porsche should be strobe lights  
That \*\*\*\*\*police don't like  
You know  
Tchem pigs no good  
Like pork brains
