

Lil Wayne, More To The Story (feat. Raekwon)

Oh, you ain't hurt
Dope man aain't cool no more
Cause dop man tried to chargé him
Double for the usual
Damn

You just don't hear good news
No more
After i tell a story
I gotta kill who i told

Okay
There's no package that came in
Had the whole house thinking
Trap house doorbell ringing
Trap house getting too famous
His Trap house popping all night
The porsche should be strobe lights
That *****police don't like
You know
Tchem pigs no good
Like pork brains
