

Lil Wayne, Mr. Carter

(Lil Wayne talking)

Yo!

Yo Joint Inf' did this

This right here is crazy

I-I feel Big! You-know what I'm...

Not-not "Big" in the sense of weight, you know like gaining weight or... nothing like that

But like COLOSSAL you know what I mean? Like *sigh*...

I heard you were looking for me

(Chorus 1: Lil Wayne)

(Hey Mr. Carter)

Hello!

(Tell me where you been?)

Hahaha, you know! Hahaha

(They been asking, they been searching, they been wondering why)

Yeah, Ha-ha, ha I know! Haha

(Hey Mr. Carter)

Hey, Hello!

(Tell me where you been?)

Shiet, you know! Hahaha

(They been asking, they been searching, they been wondering why)

Hahaha!

(Verse 1: Lil Wayne)

Yeah

To you

Forever, from me to you

I heard somebody said church, I'ma need a suit

I'ma need a coup

I wont need a roof

Flyer than Beetle juice

Beetle juice

Be-the-juice

I got the floor, I'm tryna see the roof

Didn't wear a bulletproof

So I got +shot+ and you can see the +Proof+

Blind eyes colored guide me to see the truth

+Wonder+ if +Stevie+ do?

But I'ma +Leave it to+

God, not +Beaver+

Neither

You

Cause I'ma murder, why I kill ol' and even you?

Man, I got Summer hating on me cause I'm hotter than the sun

Got Spring hating on me cause I ain't never sprung

Winter hating on me cause I'm colder than ya'll

And I would never, I would never, I would never Fall

I'm being hated on by the seasons

So f**k ya'll who hating for no reason!

(Chorus 2: Lil Wayne)

(Hey Mr. Carter)

I am him!

(Tell me where you been?)

Around the world and I'm back again!

(They been asking, they been searching, they been wondering why)

Who's been asking about me?! In case you're wonder-ing!

Haa!

(Hey Mr. Carter)
I am him!
(Tell me where you been?)
Around the world and now I'm back again!
(They been asking, they been searching, they been wondering why)
Who's been asking about me?! In case you're wonder-ing!
Haa!

(Verse 2: Lil Wayne)

Yeah
I been in and out the bank, bitch!
While all ya'll asshole niggas been on the same shit
I flush, and watch it go down the drain quick
Two words you will never hear, "Wayne Quit?"
Cause Wayne win, and they lose
I call them +April+ Babies, cause they +Fools+
And when they snooze
WE UP
FEET UP
Like a paraplegia
Or paraplegic
I parallel park
In a red and yellow thang old school Atlanta Hawk
Like I'm from Collipark
But I'm from Hollygrove!
Now all my Bloods scream "Sou-oup" and "Da da dooh!"
I know my role
And I play it well
And I wear it well
On my Libra Scale
I suck a pussy
F**k a pussy
Leave it there
Screwed
Long hair don't even care

(Chorus 3: Jay-Z)

Young!
(Hey Mr. Carter)
I am him!
(Tell me where you been?)
Around the world and now I'm back again!
(They been asking, they been searching, they been wondering why)
Who's been asking about me?! In case you're wonder-ing!

(Hey Mr. Carter)
I am him!
(Tell me where you been?)
Around the world and now I'm back again!
(They been asking, they been searching, they been wondering why)
Who's been asking about me?! In case you're wonder-ing!

(Verse 3: Jay-Z)

Ch-yeah!
I'm right, cheah
In my chair
With my crown, with my dear
Queen Bee, as I share
Mic time, with my heir
Young Carter
Go farther

Go further
Go harder
Is that not
Why we came? and if not
Then why bother?
Show no mercy in Murcielaga's
I'm far from be-ing the bas-tard that Marcy had fathered
Now my name's being mentioned with the martyrs
The Biggie's and the Pac's and the Marley's and the Marcuses
Govi
Got me
A Molotov Cocktail
Flow
Even if you box well
Can't stop the blows
Kaboom
The Roc Boy in the room
The dope, boy just came off the spoon
Also
I'm so
Fly I'm on auto-
Pilot
While guys just
Stare at my wardrobe
I see Euro's
That's right, plural
I took so much change
From this rap game
It's your go!
(Hey Mr. Carter)
Young!

(Verse 4: Lil Wayne)

"It's my go"
Yeah
And I'ma go
So
Opposite of soft
Off
The Richter
Hector Camacho Man Randy Savage
Far from average
Above status-
Quo
Flow
So
Pro
I know
I rise slow
And when I pass
They say "what up, killer man?" Stop bringing up my past!
And next time you mention Pac, Biggie
And Jay-Z
Don't forget Weezy
Baby!

(Chorus 4: Lil Wayne)

(Hey Mr. Carter)
Ay man
(Tell me where you been?)
Yo!
(They been asking, they been searching, they been wondering why)
Hahaha

(Hey Mr. Carter)
Ay Man
(Tell me where you been?)
Hova!
(They been asking, they been searching, they been wondering why)
Weezy! Baaabay

(Verse 5: Lil Wayne)

Audience
(Hey Mr. Carter)
Hahahah
(Tell me where you been?)
I been hustling...
(They been asking, they been searching, they been wondering why)
Hustling hard. Cheah

(Hey Mr. Carter)

And I swear to everything, when I leave this Earth

(Tell me where you been?)

It's gonna be on both feet
Never knees
In the dirt

(They been asking, they been searching they been wondering why)

The driver f**kable, when I squeeze it hurts
Fine
We lose two lives
Yours and mines
Gimme any amount of time
Don't let Mrs. Carter
Grieve
At the funeral parlor
Dripping tears down my sleeve

Lowered voice
Gimme any amount of time
Don't let Mrs. Carter grieve...
