

# Lil Wayne, Prom Queen

I love the fancy underwear  
I sit behind her every year  
Waitin' for the chance to get  
To tell her Im the one she should be with ouw!  
Shes popular with all the guys  
So innocent in my eye  
I could see her in my life  
she wouldve had the perfect sweetman  
But see she had other plans  
I could not understand  
Her and her stupid friends  
Varsitys biggest fans  
Never forget the day  
She laughed and walked away  
And I couldnt stop her  
I guess she had it all

Chorus

She had it all figured out  
But she left me with a broken heart  
F@#ked around and turned me down  
Cause she didnt think I could play the part  
But now the prom queen, the prom queen  
s crying sittin outside of my door  
She never know how  
How everything could turn around  
They loved her fancy underwear  
Every boyfriend every year  
Shee tried to keep em entertained  
When they can hardly remember her name  
She did everything she could just to  
To make him love and treat her good  
She found herself alone  
askin herself where did she go wrong  
She didnt realize  
She chased the type of guys  
That dont believe in ties  
Tryin to apologize  
Never forget the day  
She laughed and walked away  
And I couldnt stop her  
I guess she had it all

Chorus

She had it all figured out  
But she left me with a broken heart  
F@#ked around and turned me down  
Cause she didnt think I could play the part  
But now the prom queen, the prom queen  
is crying sittin outside of my door  
She never know how  
How everything could turn around  
Getup!

Chorus

She had it all figured out  
But she left me with a broken heart  
F@#ked around and turned me down  
Cause she didnt think I could play the part  
But now the prom queen, the prom queen  
is crying sittin outside of my door  
She never know how  
How everything could turn around
