

# Lil Wayne, Tell Me You Need Me

[One Republic:]

I'm holding on your rope,  
Got me ten feet off the ground  
I'm hearin what you say but I just can't make a sound  
You tell me that you need me  
Then you go and cut me down, but wait  
You tell me that you're sorry  
Didn't think I'd turn around, and say...

[Lil' Wayne:]

Ok I'm talking bout a  
Good girl gone bad  
Crooked world wrong pad  
Right mom wrong dad  
I sing this song mad but not mad enough to shoot you  
But it just eats me up like some bbq from Luther's  
In the morning with the roosters  
On the corner with the boosters  
And she's the freshcut and they're on her like sutures  
And I wanna talk to her  
But her momma has to school her  
I wanna see her better  
She's the weather of my future  
I don't wanna see another hurricane  
Baby you can kill the pain  
If you just let me explain  
Trust me I know what I'm sayin'  
You will end up on the track of an oncoming train  
Stuck in the passenger seat  
Tryna do the fast lane

[Bun B:]

Well once upon a time there was a mom and a dad  
Who on the outside had everything people wished they had  
A beautiful daughter two story house two car garage  
And a white picket fence wrapped around the front yard  
See daddy was a doctor  
And mommy was a banker  
Mommy's job got outsourced  
So now mommy's drinker  
Daddy had a malpractice suit  
Now he's a snorter  
And all this shits takin place  
right in front of their daughter  
She says, Daddy what's wrong?  
But he's just too high  
Mommy what we gon' do?  
She just get drunk and cry  
Caught in the middle of two wrongs trying to do right  
Looking for answers all alone in the darkness of night  
They say

[One Republic:]

I'm holding on your rope,  
Got me ten feet off the ground  
I'm hearin what you say but I just can't make a sound  
You tell me that you need me  
Then you go and cut me down, but wait  
You tell me that you're sorry  
Didn't think I'd turn around, and say...  
Yeah it's too hard to apologize  
It's too hard  
I said it's too hard to apologize  
It's too hard
