

# Lilian Garcia, Lie Low

You didn't care about me  
So I packed my bags  
And left you to wonder  
What you could've done better  
To make our love stronger  
We could have lasted forever and longer

But we'll never know how good it could be  
This isn't how it should be

I couldn't laugh  
I couldn't cry  
I couldn't waste another day  
I couldn't live  
I couldn't lie low any longer  
I couldn't laugh  
I couldn't cry  
I couldn't waste another day  
I couldn't live  
I couldn't lie low any longer
