

# Lillix, Quicksand

yesterday  
seemed so much longer than today  
there must be something wrong with me  
I think I'm losing it, oh no!  
I must be stupid...

now I'm here  
yes I'm here  
'cause I tried...  
if you're here  
then you're here  
for a while...

I can't reach the sky  
without being dragged down  
I can't run forever  
while I try to hold on  
but if you'll be there when I drown  
I don't want to hold your hand  
It's quicker than quicksand  
and you just won't make it

none the less, I think I've seen a brighter side  
I've trusted no one deep outside  
it's what they call the rest of them  
they just don't get it  
but we're there  
yes we're there  
for a while...  
and you're there  
yes we're there  
for a while...

I can't reach the sky  
without being dragged down  
I can't run forever  
while I try to hold on  
but if you'll be there when I drown  
I don't want to hold your hand  
It's quicker than quicksand  
and you just won't make it

I've seen so many try to get their way  
I'm sure it's really not that bad yeah...  
I'm sure it's not that bad

I can't reach the sky  
without being dragged down  
I can't run forever  
while I try to hold on  
but if you'll be there when I drown  
I don't want to hold your hand  
It's quicker than quicksand  
and you just won't make it

It's quicker then quicksand  
and you just won't make it (x2)

Oh, yeah...
