

# Lillix, Tomorrow

Tomorrow's just another day, another way to spend my day  
All by myself  
Staring at the tv screen, flipping through my magazine  
Everything is unclear  
I need you here

And I wake up, put on my makeup  
Pick up the phone, nobody's home  
I need to break out, get me some takeout  
Stand inside a crowd, I want to scream out loud  
That I'll be ok  
I'll be ok

Walking down this winding road, rainy days are all I know  
I have hit the ground  
Staring up into the sky, counting all the reasons why  
My mind is spinning around  
I need to breath

So I wake up, put on my makeup  
Pick up the phone, nobody's home  
And I need to break out, get me some takeout  
Stand inside a crowd, I want to scream out loud  
That I'll be ok

Get up from off the floor I, I just can't take no more  
Leaving it all behind 'cause yesterday's gone

Nah nah  
Nah nah nah nah nah  
Nah nah nah nah nah  
Nah nah nah

And I wake up, put on my makeup  
Pick up the phone, nobody's home  
And I need to break out, get me some takeout  
Stand inside a crowd, I want to scream out loud

I need to wake up, put on my makeup  
Pick up the phone, nobody's home  
And I need to break out, get me some takeout  
Stand inside a crowd, I want to scream out loud

I need to break out  
And alright and ok, and ok, we're alright  
We'll be alright

Tomorrow's just another day, another way to spend my day
