

Lily Allen, Everybody's Changing

You say you wander your own land
But when I think about it
I don't see how you can

You're aching, you're breaking
And I can see the pain in your eyes
Says everybody's changing
And I don't know why.

So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing
And I don't feel the same.

You're gone from here
Soon you will disappear
Fading into beautiful light
'cause everybody's changing
And I don't feel right.

So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing
And I don't feel the same.

So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing
And I don't feel the same.

Ooo...
Everybody's changing
And I don't feel the same.
