Lily Allen, Everybody's Changing

You say you wander your own land But when I think about it I don't see how you can

You're aching, you're breaking And I can see the pain in your eyes Says everybody's changing And I don't know why.

So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing
And I don't feel the same.

You're gone from here Soon you will disappear Fading into beautiful light 'cause everybody's changing And I don't feel right.

So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing
And I don't feel the same.

So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing
And I don't feel the same.

Ooo... Everybody's changing And I don't feel the same.
