Lily Allen, Smile

When you first left me I was wanting more
But you were fucking that girl next door
What ya do that for? (What ya do that for?)
When you first left me I didn't know what to say
I've never been on my own that way, just sat by myself all day

I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone

At first when I see you cry
Yeah it makes me smile, yeah it makes me smile
At worst I feel bad for a while
But then I just smile I go ahead and smile

Whenever you see me you say that
You want me back (Want be back)
And I tell you it don't mean jack (It don't mean jack)
No it don't mean jack (No it don't mean jack)
I couldn't stop laughing
No I just couldn't help myself
See you messed up my mental health
I was quite unwell

I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone

At first when I see you cry
Yeah it makes me smile, yeah it makes me smile
At worst I feel bad for a while
But then I just smile I go ahead and smile

Lalala...

At first when I see you cry (When I see you cry)
Yeah, it makes me smile (It makes me smile)
Yeah, it makes me smile (Yeah it makes me smile)
At worst I feel bad for a while (I feel bad for a while)
But then I just smile (Then I just smile)
I go ahead and smile (I go ahead and smile)

Lalala...

At first when I see you cry (When I see you cry)
Yeah, it makes me smile (It makes me smile)
Yeah, it makes me smile (Yeah it makes me smile)
At worst I feel bad for a while (I feel bad for a while)
But then I just smile (Then I just smile)
I go ahead and smile (I go ahead and smile)
