

Limbeck, Brand New Orange

A waiter must have real bad luck.
Associate's a sitting duck.

I think of all the things I bring,
and only want to bring what I want
a brand new Orange instead.

I'd love to come here any time I want.
I could make anything you want.
So I could get some sleep at night, and leave the house to eat ALRIGHT!

A brand new Orange instead.
Some nights are red, when I want my eyes blue again.
A brand new Orange instead, so the shower just leaks a little bit.
Sometimes it's loud because the neighbors just mind a little bit.
So I can be proud, and people can care a little bit.

A brand new Orange instead.
So I can be bored again.
A brand new Orange instead.
So the days can be slow again.
