

# Limbonic Art, Symphony in Moonlight and Nightm

This night belongs to us  
My dear princess of death  
We have a destiny together  
As we meet in hungry caress

A deadly kiss under moonlit sky  
As I stare into thy dark and hollow eyes  
You take me down where cold silence dwell  
Unconscious darkness realms of demise

You are born at my grace to serve only me

Blood paint on the wall is the ancient dream I recall  
Predictions in rainstorm as tears darkred cascaded  
In cryptic depths of imprisoned rage  
Where I succumbed to temptation  
In the laughter of cruel gods  
Demonic wrath and devastation

A monstrous enemy demands to be set free  
Frigid evil games black art and blasphemy  
prophecies in blood  
A deadly kiss  
unto darkened bliss

We have a gift of shining  
By knowing the history  
Behind obscure mysteries

The mysterious  
Source of true art and experience
