

Limp Bizkit, Break Stuff (Remix By Lethal)

Your best bet is to stay away motherf**ker
It's just one of those days!!

[chorus]

Its all about the he says she says bullshit
I think you better quit
Lettin' shit slip
Or you'll be leavin with a fat lip
Its all about the he says she says bullshit
I think you better quit talkin that shit
(Punk, so come and get it)
Its just one of those days
Feelin' like a freight train
First one to complain
Leaves with a blood stain
Damn right I'm a maniac
You better watch your back
'cause I'm f**kin' up your program
And if your stuck up
You just lucked up
Next in line to get f**ked up
Your best bet is to stay away motherf**ker
Its just one of those days!!

[chorus]

I feel like shit
My suggestion is to keep your distance 'cause right now im dangerous
We've all felt like shit
And been treated like shit
All those motherf**kers that want to step up
I hope you know I pack a chain saw
I'll skin your ass raw
And if my day keeps goin' this way I just might break somethin' tonight...
I hope you know I pack a chain saw
I'll skin your ass raw
And if my day keeps goin' this way I just might break somethin' tonight...
I hope you know I pack a chain saw
I'll skin your ass raw
And if my day keeps goin' this way I just might break your f**kin' face tonight!!
Give me somethin' to break
How bout your f**kin' face
I hope you know I pack a chain saw, what!!...

[chorus]
