

Limp Bizkit, Breakstuff

It's just one of those days
when you don't wanna wake up,
evrythin is f**ked
everybody sucks
You don't really know why
but you wanna justify rippin someones head off

No human contact and if you interact
your life is on contract
your best bet is to stay away mutha fuka
it's just one of those days

It's all about the he sez she sez bullshit
I think you better quit lettin shit slip
or you'll be leavin with a fat lip
It's all about the he sez she sez bullshit
I think you better quit talkin that shit

It's just one of those days
feelin like a freight train
First one to proclaim leaves with the bloodstain
your damn right I'm a maniac
you better watch your back cos'
I'm f**kin your program(nice rhyming Fred)

and if you're stuck up
You just lucked up
next in line to get f**ked up
Your best bet is to stay away mutha fuka
It's just one of those days

It's all about the he said she said bullshit.
I think you better quit lettin shit slip
Or you'll be leavin with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin that shit, punk

So come and get it

I feel like shit...
My suggestion is to keep your distance
Cos right now I'm dangerous
We've all felt like shit
And been treated like shit
All those motherf**kers, they want to step up
I hope ya know
I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break something tonight
Give me something to break
I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break your f**kin' face tonight

Give me something to break
Just give me something to break
How 'bout your f**kin' face?

I hope you know I pack a chainsaw, WHAT?
I hope you know I pack a chainsaw, a mutherf**kin' chainsaw, what?
come and get it

It's all about the he said she said bullshit.
I think you better quit lettin shit slip
Or you'll be leavin with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin that shit
So come and get it
