

# Limp Bizkit, Hypocrisy

They said  
They do critical things  
This is their concentration  
Forgetting the risk

Opening curtains  
Is a common thing to do  
Untying shoelaces  
Fixing propellers

Choosing the tune  
Smelling the beat  
Straightening ropes  
Reading the book

Changing colors  
Kissing a circle

Wearing an art  
Showing hypocrisy to somebody else

Stepping the accelerator  
Without using the brakes  
Busy making the noise  
A continuous speed

Playing statue dance  
Liking the adolescence  
Pulling a dance partner  
Memorizing the steps

Creating tunes  
Add another cup of coffee  
Or sharing the tune itself  
Portraying the feline role
